## Strengths, Weaknesses Opportunities and Threats

The table below allows you to analyse the strengths and weaknesses, opportunities and threats that need to be considered when faced with a dilemma or question. Kenji and his troupe, *The Drunken Yokai*, have to face the repercussions of the earth tremor at the end of chapter ten and the subsequent events in chapter eleven. Consider the question: are the boys capable of surviving further earth tremors, confrontations and finding their families?

- Identify the Strengths and Weaknesses of their actions, attitudes and behaviour in chapter eleven.
- Then identify ideas and potential problems which might arise, in Opportunities and Threats.
